

THE LEGEND WAS BURIED.
THE CITY WOKE IT UP.

STREET HAWK

RESURRECTION PROTOCOL

Los Angeles, 2025.

Nearly forty years after Street Hawk vanished into urban legend, the city is changing again. New syndicates move through the shadows. Old secrets are surfacing. And beneath the streets, a buried government project is preparing to bring back the machine no one was ever meant to see.

But some ghosts were buried for a reason.

Street Hawk: Resurrection Protocol is an unofficial non-commercial fan-fiction novel written for fans of the original television series.
